

Dear Tooled Up Parents and Carers,

Tooled Up Education warmly invites you to register for their upcoming November 2025 webinars:

REGISTER HERE: [5 November 2025, 13:00-14:00 GMT](#)

In this webinar, psychologist Dr Maria Korochkina will share her insights regarding the power of reading and the fascinating world of words that children can access through books. Suitable for staff and parents of children aged 7-16 years.

REGISTER HERE: [18 November 2025, 12:30-13:30 GMT](#)

Join us for a session with Beck Ferrari, a specialist in loss, trauma and bereavement who will share compassionate and actionable strategies to help children navigate loss. The webinar will provide practical guidance for parents, caregivers and educators on how to support children

through grief. Learn age-appropriate ways to talk about death, build resilience, manage challenges, create safe spaces and care for yourself as a supporter.

You're welcome to submit questions in advance via the registration form and we'll aim to answer them during the session.

REGISTER HERE: [18 November 2025, 20:00-21:00 GMT](#)

How do we know our children are resilient and how can we empower them to have confidence in their own actions and thinking? Join Dr Kathy Weston to hear the small steps we can take that can make a tremendous difference in our children's lives.
