

Kings Langley School News

Issue 27

A note from the Deputy Headteacher -

Mrs Jennings

It is with great delight that we announce that Kings Langley School has received the Foundation Level International Schools Award. Our many thanks need to go to our modern languages department for all their ongoing work and development of opportunities for students.

The International School Awards reward schools that have shown a commitment to embedding international awareness and understanding within their classes and school. The framework from the British Council provides strategic development for international activities across the curriculum, including collaborative work with international partner schools and the wider community.

Our modern languages team, which consists of four teachers and two foreign languages assistants, have run a multitude of activities including French and Spanish lunchtime clubs. Different activities take place each week and have even involved taking over the food rooms in technology to create wonderful masterpieces such as crepes.

KINGS
LANGLEY
SCHOOL

We have celebrated festivals from different countries, watched films in other languages and had speakers talking about how languages have helped them in their careers. The year 9 trips to both France and Spain during activities week have become very popular, with large numbers not only going on the trip but choosing to take French and Spanish at GCSE. We can also celebrate the fact that more students take a GCSE language at Kings Langley School than average across the nation.

Well done and congratulations to Mr Burgin and his amazing team!

Sports News - County Cup Champions

A fantastic achievement by the Year 8A boy's football team.

Kings Langley school 3 – 2 Chauncy school AET

Our opposition Chauncy school from Ware were a very strong team. This was proved correct from start to finish of the match.

In the first half Chauncy school dominated the game and they were the better and stronger side. Their first goal came from our mistake at the back so at half time the score was 1-0.

After making a few changes at half time and employing different tactics, we looked stronger and played better in the second half. However they scored again, against the run of play.

20 minutes into the half, a long clearance from Hayden reached the opposition's box where Louie met the ball to knock it over the keeper. We used this momentum to apply more pressure, and within 5 minutes we pulled another goal back scored by Sam (2-2).

The resilience showed by the boys to win the match was excellent. We took this positivity into extra time. In extra time we created more chances, but Chauncy school was able to block all our attempts.

In the last minute of extra time, a foul was committed just outside the centre circle in our half. Hayden took the free kick and kicked it over the goalkeeper into the corner. Final score 3-2.

We held on to be crowned the **champions!!**

Mr A Choudhury - PE Teacher

Artwork of the Week

The year 8 students have been working on still life as a subject matter in their art lessons and this is Olivia's work, which shows strong drawing skills and good use of mixed media. Well Done!

JPL TRIALS

CALLING ALL CURRENT YEAR 5, 6 & 7 FOOTBALLERS

Over the past 12 years the Junior Premier League has focused on player development for those children who have excelled within their school or club environment. Game On has teamed up with Cassiobury Rangers FC to enter an U11, U12 & U13 team into the JPL for next season. We will be using Parmiters School (Watford) to train and play. Fixtures take place on Saturday mornings so do not clash with any grassroots football.

Game On's FA Qualified coaches have helped progress over 40+ children through to pro club's academies and the JPL League will allow children to showcase their skills.

WHY NOT COME ALONG TO OUR FREE TRIALS IN NORTH WATFORD & ATTEND AS MANY DAYS AS YOU CAN!
