A note from Mrs Warren - Head of Music

London Community Gospel Choir Concert

An opportunity has arisen in partnership with the Hertfordshire Music Service to perform a concert with the London Community Gospel Choir. It is a great honour to have been invited to host this, and a fantastic opportunity for our young musicians to work alongside an exciting and inspiring musical group. There are 30 places available and the event is open to Year 7, 8 and 9 students. Participation involves:

Friday 7th July 10-1pm an in-school workshop with members of the London Community Gospel Choir.

Thursday 13th July: Rehearsal after school and concert.

Students must be available from 4.30pm. The concert will start at 7pm and finish at approximately 8pm. There will be a break for them in between the after-school rehearsal and the start of the concert.

Further details, including about ticketing and dress code will be sent out nearer the time. Should your child wish to participate in these workshops, rehearsals and concert please email Mrs Warren at warrene@kls.herts.sch.uk by **Monday 12th June**. Please note that it is essential that students are available for all of the above events – not just the rehearsals. If there is a large number of students wishing to be involved then names will be selected at random allowing for an even split between the year groups.

This truly is a fantastic opportunity and I would strongly encourage any students who enjoy singing or are considering GCSE Music in the future to apply to participate. It should be a thoroughly uplifting event.

Disabled Parking Spaces

Please can we ask parents to be mindful that the disabled parking spaces in the area at the very front of the school building are for the use of staff/parents who have a blue badge either for themselves or their child only. If you are dropping your child off in the morning or collecting them at peak times after school there is ample space in the parent drop off/collection areas. Thank you in advance for your consideration towards other members of our school community.

Friends of KLS News

Tombola donations please for this year's Kings Langley Carnival on Saturday 24th June. The Friends of Kings Langley School will be running a tombola stall to raise funds for equipment and new resources in our school. Please bring in your donations of sweets, bottles or unused gifts like toiletries that you haven't touched since your birthday, or even Christmas and probably don't actually want / need! Also, please do come along and support the rearranged summer carnival on Kings Langley Common on the day!!

Thank you very much,

Ms Chabrel with 7A and 9C

Uniform Sale

The next Friends of Kings Langley School uniform sale is on Thursday 15th June, 6:00 - 7:30pm. We will be in the dining hall whilst the New Intake Evening is taking place. We have a full range of donated school uniform and PE kit to sell to current students and parents.

Also, may we take this opportunity to appeal for donations from our departing Year 11 students, as their exam season draws to a close. Please donate your washed and wearable school uniform and PE kit to us for our future Friends of Kings Langley School sales. If you possess any uniform or PE kit that isn't good enough to sell on, then please do donate the items of clothing and footwear to the textile bank by the school gate, as we make money from these donations.

Artwork of the week

Rosie - Y10

The year 10 students have been working on the theme of natural forms this year and are completing their last board based upon 'Water/Fish/Shells'. This is Rosie's submission demonstrating tonal drawing, paint, blue biro, monoprinting and coloured pencil work. Each practical piece is completed to an exceptionally high standard showing a wide range of artistic skill. Well Done Rosie.

Trampolining

Congratulations to Alex (9P) who competed in two important trampolining competitions over half-term. Alex travelled down to Burgess Hill where he competed in the National League qualifier and won silver in the synchro, with his partner. Alex, then travelled to Telford, where he competed on the big stage in the National Qualifiers. He got to the final and came 6th. This means he is 6th in the country for his age group, which is an outstanding achievement.

Key Stage 3

The Truth Detective by Tim Harford and Ollie Mann

The world is often full of bamboozling headlines and numbers that don't add up. But don't panic. Within these pages you will transform into a Truth Detective, hunting down the truth about the world around you. You will meet heroic truth detectives, such as Florence Nightingale who started a revolution with a pie chart, and dastardly villains who have tried to trip us up with dodgy data and misinformation. You will learn how being smart and savvy with numbers will help you be smart and savvy about everything else in life, too.

Key Stage 4 and 5

You Think You Know Me by Ayaan Mohamud

Hanan has always been good and quiet. She accepts her role as her school's perfect Muslim poster girl.

She ignores the racist bullies. *A closed mouth is gold - it helps you get home in one piece.* Then her friend is murdered and every Muslim is to blame. *The world is angry at us again.* How can she stay silent while her family is ripped apart?

It's time for Hanan to stop being the quiet, good girl.

It's time for her to stand up and shout.
