**Kings Langley Sixth Form is dedicated to providing learning experiences for all students where there are no limits to achievements.**

This is achieved within a diverse and safe environment where all members of the school community are valued and respected. Our SEND department works with the Sixth Form to support the transition from Key Stage 4 into post-16 education.

# BURSARY

**At Kings Langley Sixth Form we are committed to ensuring that young people, regardless of their own personal or socio-economic status, are able to succeed and achieve their aspirations.**

As a Sixth Form it is our aim to identify how we can ensure that being disadvantaged does not limit the ability to progress. We stand firm in our commitment to make sure that we continue to diminish the difference between students of different economic backgrounds so that all young people achieve their aspirations and where financial barriers to achieving these are removed.

Students experiencing financial hardship or challenges at home relating to economic pressures are encouraged to apply for 16-19 Bursary Funding. We offer this in a discreet and sensitive manner.
