

# KINGS LANGLEY KS4 GEOGRAPHY LEARNING JOURNEY

**Kings Langley School**  
Unlocking Potential for Life

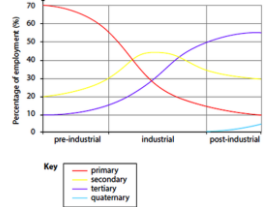

OCR B – Geography  
for Enquiring Minds

UK in the 21<sup>st</sup> century:  
cultural identity

UK in the 21<sup>st</sup>  
century:  
global  
influence

Geographical  
Explorations and  
Revision

KS5

Resource  
Reliance: Energy

Resource Reliance: Food  
Security

Resource Reliance:  
Science and  
Technology

UK in the 21<sup>st</sup>  
Century: land  
use

UK in the 21<sup>st</sup>  
century: industry

UK in the 21<sup>st</sup>  
Century: people

Resource  
Reliance: Water

Case study:  
Antarctic  
Treaty

Sustaining  
Ecosystems: Polar

Case study:  
Costa, Rica

Sustaining Ecosystems:  
Tropical Rainforests

Sustaining  
Ecosystems:  
Processes

YEAR  
11

Changing climate:  
evidence historical and  
present day

Changing climate: impacts  
around the world

Changing climate:  
impacts in the UK

Changing climate:  
mitigation and  
adaptation

Human  
geography  
fieldwork –  
Olympic Park OR  
Bournemouth

Fieldwork  
preparation

Distinctive  
landscape: rivers

Distinctive  
landscapes: coasts

Distinctive  
landscapes: geology

Physical Geography fieldwork – Jurassic  
Coast OR Walton-on-the-Naze

Climate Hazards:  
Boscastle Flood

Urban  
Futures:  
trends

Urban Futures:  
Birmingham

Urban  
Futures:  
Istanbul

Distinctive  
landscapes:  
the UK

Climate Hazards:  
Australia – the  
Big Dry

Climate Hazards:  
Typhoon Haiyan, 2013

Tectonic Hazards: Nepal, 2015

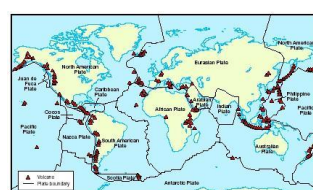

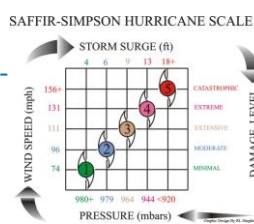

Dynamic  
Development:  
LIDC - Zambia

Climate Hazards:  
Drought

Global Hazards: Tectonics

Dynamic Development:  
Indicators

Global Hazards: Climate -  
Tropical storms
