

Kings Langley School

Unlocking Potential for Life

What support is there for behaviour, avoiding exclusion and increasing attendance?

- We aim to ensure that all students can unlock their full potential in a safe, secure, calm and ordered environment.
- The Behaviour Management Policy can be found at: <https://www.kls.herts.sch.uk/home/about-us/school-policies/>
- Attendance is monitored by the pastoral teams and the attendance officer.
- Students who have a diagnosed SEND which can effect their ability to cope in the classroom may be issued with a Time Out Card (TOC) and will be coached by members of staff with regards to appropriate use.
- Students may be given a support card to give to their subject teachers to monitor their behaviour in lessons and will be given an opportunity to discuss this with their Form Tutor/Pastoral Leader/Learning Mentor each day.
