Unlocking Potential for Life

How will learning provision be matched to my child's needs?

- All teaching staff work towards Quality First Teaching and are committed to ensuring that provision is made in each lesson for the needs of all the students.
- Providing specialist equipment for students with specific needs.
- Learning plans and all other relevant information highlighting needs and giving strategies to support individual students will be available to teachers and teaching assistants.
- Staff will be informed of any change in provision or need.
