

Kings Langley School

Unlocking Potential for Life

How will I know if my child is making progress?

- Year groups 7-10 have two points on the school calendar each year when students are engaged in formal assessments/examinations in all subjects. In Y11 students have three separate weeks of examinations plus their external GCSE exams
- Reports are emailed home twice a year and each year group has a Subject Consultation evening once a year
- Progress is continually monitored by Subject Teachers, Form Tutors, Pastoral Leaders, Learning Mentors and Senior Leaders
- Parents are welcome to contact school, the Form Tutor being the first point of contact, with regards to any concerns they may have admin@kls.herts.sch.uk
- For SEND issues, parents are welcome to make an appointment with the SENCo, Mrs

Johnson-Putt, on a Monday of week 2
between 3:30pm - 5:30pm using
lsdp@kls.herts.sch.uk
