How Business Works by DK

Do you know the difference between profit margin, gross profit and net profit? What is cash flow or a limited company? How Business Works answers hundreds of questions.

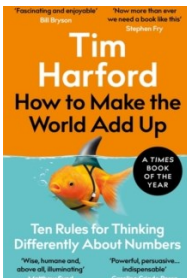

Done Deal by Daniel Geey

Are football agents overpaid? What really happens inside a club on transfer deadline day?

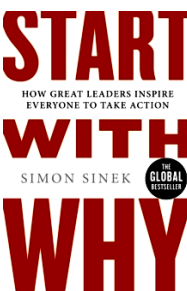

How To Make The World Add Up by Tim Harford

What should we do when someone makes a claim that they say is based on hard data? This book discusses the factors we need to consider.

Start With Why by S. Sinek

Why are some people and organizations more pioneering and successful than others? And why are they able to repeat their success? Because in business it doesn't matter what you do, it matters why you do it.

MAGAZINES

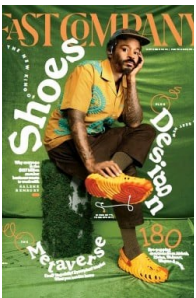

The Economist magazine
The defining publication for anyone interested in economics, business, and world affairs.

Available to read online for free via Hertfordshire Public Libraries, and we also have some print copies available in the library.

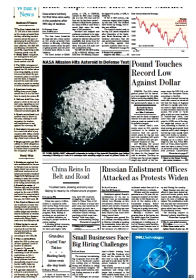

The Financial Times: Read the FT for free by registering an account via www.ft.com/schoolsarefree - search for our school name, then click 'Request your signup link' and enter your school email address. This will then sign you up to a weekly digest email of articles, videos, etc.

Fast Company magazine and The Wall Street Journal

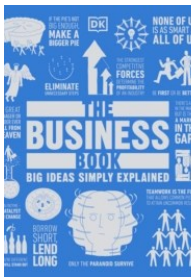

Just a couple of the other business resources available online via Herts Public Libraries. You can access newspapers and magazines from all over the world!

Business WIDER READING

All these books are available from the school library

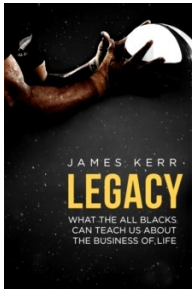

The Business Book by DK

This book tackles tricky topics and themes in a simple and easy to follow format, ideal for beginners.

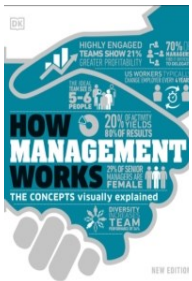

Legacy: 15 Lessons in Leadership by James Kerr

Kerr uses the world's most successful sporting team, the legendary All Blacks of New Zealand, to reveal 15 powerful and practical lessons for leadership and business.

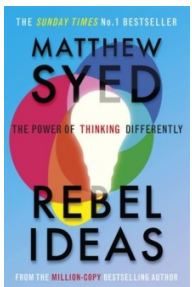

How Management Works by DK

Discover everything you need to know to improve your management skills, and understand key business theories.

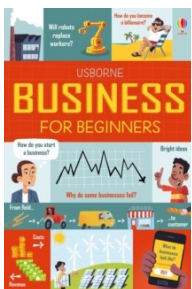

Rebel Ideas by Matthew Syed

Syed examines the power of 'cognitive diversity' - the ability to think differently about the world around us. It explains how to harness our unique perspectives, pool our collective intelligence and tackle the greatest challenges of our age - from climate change to terrorism.

Business for Beginners by Lara Bryan and Rose Hall

Aimed at younger readers, this is an ideal book to dip into for a refresher on key topics.

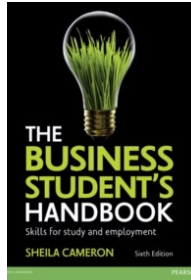

Entrepreneurs Who Changed History by DK
