Teacher of Science – Chemistry Specialism Desired but Not Essential

Salary: Main/Upper Pay Spine (with London Fringe)

0.6 / Required September 2025

- Are you an enthusiastic and dynamic science teacher?
- Do young people inspire you and do you have a passion for teaching and learning?
- Are you committed to enabling all children to unlock their potential for life?
- Does working within a friendly and dynamic science department in which all resources are planned and available to you appeal?

If so, why not consider joining our school. The world today has highlighted the vital role science plays in our society. More than ever, we need teachers to inspire students into the world of science.

This is an exciting opportunity for a passionate teacher of science who believes in bringing out the best in every student. The successful candidate will join a strong, well-resourced team who are committed to attaining the highest standard in teaching and learning.

Why chose our school:

- A fully resourced KS3 curriculum with a strong focus on knowledge, the application of knowledge and practical work.
- Science is taught in specialisms at KS4 and 5.
- An established and well-resourced Science department.
- We offer excellent opportunities for high quality professional development and support.
- We have a strong commitment to staff well-being with a genuinely friendly body of staff who support and care for each other.
- Excellent transport links with the M1, A1 and M25 close by.

What we are looking for:

- Someone with a confident understanding of the curriculum and the ability to inspire students through their passion and knowledge of science.
- Someone who shows a commitment to high standards.
- Someone keen to develop their teaching repertoire through access to high quality professional development opportunities.
- Applications are welcome from ECTs, experienced teachers looking for a change, or teachers returning to the profession.

Please contact Mrs. Shurle Woodhouse (woodhouses@kls.herts.sch.uk) for further details.

Closing Date: Friday 22 April March 2025

(We reserve the right to interview prior to the closing date)
