DISTRICT CUP AND LEAGUE CHAMPIONS

A huge well done and congratulations to the Year 8A boys football team for winning the district league and the cup this year. The team went unbeaten in the district, winning all their matches convincingly.

The team played against Ashlyns School in the final of the district cup.

KLS team were very positive and full of confidence at the start of the match and dominated the half and created numerous chances to score goals. At half time KLS were 2-0 up, Kairo with a free kick, and Rob forcing defender to make a mistake, then slotting the ball pass the goal keeper.

Second half was a tighter contest, both created chances and saw Ashlyns pull a goal back to make it 2-1. KLS still confident and kept their cool and scored in the last 5 minutes. A through ball from Ronnie which Luke met, and finished the ball in the bottom corner.

The boys showed great togetherness with one goal in mind, is to be the champions again!

Well done!!

This makes Josh the faster U/15 runner in the South of England in both events.

The success at the regionals qualified Josh for the National Finals which took place in Sheffield.

HERTS SCHOOLS FA

Congratulations to Ruby (8A) and Molly (9P) who were selected to represent Hertfordshire Schools FA U/14s against Suffolk last weekend. Both girls played really well and contributed to a 6-2 victory.

Cross Country

A regular feature in the newsletter is Oli. He's had a busy Cross country season with three major competitions this term.

First of all, Oli finished 6th in the Senior Boys event at the Herts School XC Championships.

Oli also travelled to Pontefract in West Yorkshire to compete in the English Schools National XC Champs where he finished 135th / 307.

Finally, Oli competed in the National Inter-Counties XC champs where he finished 133rd / 290 but the 4th Herts athlete back.

Great achievements, Oli.

GIRLS FOOTBALL

Girls Football

It has been another successful term for our girls' football teams, as they continue to outshine the boys.

- Our U/12 Girls reached the County Semi-Final, losing narrowly 2-3 in a very closely fought fixture. They have had an excellent debut season, with many of the girls playing up a year for the U/13s.
- The U/13 Girls reached the County Quarter Final and also won the Hertfordshire Women's International Day 7-a-side Tournament held at Adeyfield School after remaining unbeaten throughout.
- The U/14 Girls reached the County Semi-Final and lost narrowly 2-3, but won the Hertfordshire Futsal Champi-

onships after remaining unbeaten. Daisy (9C) was also voted MVP of the whole Tournament.

- Our U/15 Girls remain in the National Cup after winning their last game 11-0, and travel to Kent to play their Last 32 game after Easter.
- Our U/16 Girls reached the County Quarter Final, with a number of girls playing for the school for the first time.

Girls' football grows from strength to strength at KLS and we begin a 'Play On' partnership with Chipperfield Corinthians after Easter, which will provide additional after school sessions for our girls.

DACORUM DISTRICT SWIMMING GALA

Congratulations to Henry, Lenny, Amelia, Amie, Lewis and Raffy who were all selected to represent the Dacorum Swim team at the recent HSSA Swimming Gala last week. The standard was very high which meant unfortunately some of our swimmers were not selected to swim for the team. However, the team performed well on the evening.

TRAMPOLINING

The trampoline competition season started last weekend, when Alex travelled to Birmingham. Alex competed in three categories, synchro where he and his partner came a credible 4th in the 16- 18 category of 17, (they are both 15), the 15 - 16 boys League 1 and Super League which saw the top 17 males in the country who are 15+(several who have represented their country) competing against each other. He was the second youngest in the competition and was up against men in their twenties. He did two brilliant rounds and narrowly missed making it into the finals.

Alex is now gearing up for further League, British and English qualifiers. Good luck for the competition season ahead and that you continue to make the excellent progress in your training.

SPORTS LEADERS

Our Sports Leaders remain a key part of PE at KLS. Continually praised for their mature and dedicated approach to organising, officiating and supporting numerous Dacorum Primary School events, they epitomise the empathy and self-regulation we encourage at our school. One of the biggest events they have had to organise this term has been the Dacorum Year 5 & 6 Football Festival, which involved over 22 Primary Schools and 350 students. Spread across 6 pitches, our leaders excelled throughout the day and ensured the event ran smoothly and all the students involved enjoyed the experience.
