

## YEAR 10 HOMEWORK TIMETABLE 2023-2024

- Look at your timetable. Week 2 Friday: if you have maths period 1, you are x band. If you have maths period 6, you are y band.
- Depending on which band you are, now complete your homework timetable by looking at the periods given for each day and looking what lesson you have on those days. Then highlight those subjects on your homework timetable.
