Dear Year 9 Parents and Students,

Re: "How to Get Good Exam Results" Parent and Student Evening

On Thursday 21st October, we are providing an evening on "How to get good exam results". We will look at what the key revision skills and strategies that are required for children to study and revise effectively and what, as a parent, you can do to help them. We will look at the positives and pitfalls as well as discuss how not all children are the same in their learning. As teachers and parents, if we can work together to support our children, they are more likely to achieve their full potential. This is especially important as it is the year for students to make their GCSE option choices.

This event is popular and attracts large numbers, so we have decided that we will run two sessions to keep some level of social distancing possible. Each session will last about 45 minutes and is intended for a parent to come along with their child. It is practically based and will focus on some of the information and knowledge that students will need to revise for their examination week after half term starting on Monday 22nd November.

If you and your child wish to attend, please book the relevant session by using the links below:

Session 1: Thursday 21st October 6:00pm – 6:45pm

As we will be limiting numbers to these events, please ensure you have booked your places as we are highly unlikely to be able to accommodate spaces on the evening.

We look forward to seeing you at this event.

Yours sincerely,

R Jennings
