

Year 8 February 2026 - Exams Schedule – 8J

Activities in PE change each half-term, with short practical assessments taking place at the end of this period. There is therefore no single examination in PE, with the 'Exam Grade' on reports based on average performance across each recent assessment.

Exam grades in Art are based on continual assessments of students' work across lessons and therefore no single Exam scheduled for these subjects.

Exam grades in Music are based on continual assessment of students' practical performances, plus Baseline and End of Unit Tests in each topic.

There will be no exam grade for DT or Food this year and the assessment will be based on their ATL score for the practical work in lessons over time.

Computer Science will have an online theory assessment in lesson, as well as in class assessment of practical tasks.
